

CASE STUDY

Contract: The Old Brewery at Hambledon
Main Contractor: Bargate Homes Ltd
Value: £595,000
Category: Housing
Works: A mixed development in a rural location comprising offices with houses for sale and rent.

The ground works package involved strip and trench filled foundations with blockwork footings underslab drains and ducts with beam and block floor.

The foul and storm drainage systems were connected to the existing sewers.

The external works involved hard and soft landscaping, steps ramps, paving slabs, block paviors to roads and parking areas with unilog retaining walls and a play area.
